

Valuation Explained

In the State of Georgia, all licensed movers must comply with the regulations of the Georgia Department of Public Safety. Part of this compliance includes the following.

ADDENDUM TO UNIFORM HOUSEHOLD GOODS BILL OF LADING: This document details the Carrier's Liability. Your mover's liability may be less than the value of your goods. According to the law, carriers are not liable for the full value of your property unless you pay an additional charge for that protection. There are three options available to cover loss and/or damage:

OPTION 1: Released Value Protection. This option provides for reimbursement for loss or damage at a rate of \$0.60 per pound per article. This option is included in the Transportation and there is no additional CHARGE. Carrier shall have the option of repairing and/or restoration to the original condition.

OPTION 2: Full Value Protection. This option provides coverage based on current replacement value at the time of loss or damage, up to the dollar amount of valuation declared by you (See Note). The cost is based on the actual value of the goods, and the Deductible, if any, declared by you. Carrier shall have option of repairing and/or restoration to the original condition.

Option 2(a) - \$14.30 per \$1,000 of declared value of goods with no deductible

- Additional charge of \$14.30 per one thousand (\$1000.00) dollars of declared value.

Option 2(b) - \$4.70 per \$1,000 of declared value of goods with a \$300.00 deductible

- Additional charge of \$4.70 per one thousand (\$1000.00) dollars of declared value.

If Carrier fails to require shipper to choose one of the above Liability Options, the shipper will be considered to have chosen Option 2(a) (Replacement Value, no deductible) at no charge to the shipper.

NOTE: Must be an amount equal to or exceeding \$5,000 per room excluding halls, attics, garage, closets, and baths. A self-storage unit of 10 x 10 will constitute a room.

DECLARATION

Prior to the move the shipper must select one of the options listed below. If shipper refuses to select one of these options, the carrier will not be required to perform the move.
